

Company Description:

Docplexus is the largest and fastest growing platform for doctors in India. As of today there are 1,75,000+ doctors registered on this platform and growing by 6000 new registered doctors every month. Docplexus focuses on peer-to-peer exchange of patient cases, dialogue and interdisciplinary learning to improve medical outcomes. It is a trusted and secure platform accessible exclusively for medical practitioners, offering real-time dialogue, exchange and interaction in clinical and non-clinical forums, knowledge centres, treatment guidelines, certified educational resources and latest medical news.
